Waiting time at the airport exceeding 45 minutes (for each hour or part thereof)		100 pln	

* The journey starts and/or ends in the centre of Warsaw; the service operates within the administrative boundaries of the city of Warsaw.

** The transfer price includes flight status monitoring and a name sign in the arrivals hall.

*** Applies to journeys of more than 50 km beyond the administrative boundaries of the city of Warsaw.

**** The service starts and ends within the administrative boundaries of the city of Warsaw. Above a certain mileage limit, a charge of PLN 2.5 is applied for each kilometre travelled.

For hourly rentals, a 50% prepayment of the total service cost is required. If the service is cancelled less than 12 hours before the scheduled start time, the prepayment is non-refundable.

The above-mentioned prices include VAT (8% for passenger transport).

Additional charges (if any): Parking fees, restricted zone entry fees and the driver's accommodation and meals in the case of multi-day journeys away from the base.

A flight delay of more than 1 hour may result in the transport service being provided to a different standard.
